

RFB# CU2501 Q&A ADDENDUM 1

Concord University extends its thanks to the vendors who have submitted questions about our Cleaning Services RFB. Below is a list of answers to the questions that we received.

1. RFB Section 1.8 mentions the possibility that “discussions and/or interviews may be held with the bidders under final consideration prior to making a selection for award.” Is it correct to assume that these discussions may be necessary in order to assign evaluation points (as described in RFB sections 5.3 – 5.3.2) since multiple firms may appear equal/similar on paper but in fact may have important differentiators?

Answer: Yes, firms may be similar on paper and we would like to be sure they are a good fit for our institution and its mission.

2. If bidders are invited for a discussion/interview, do you have tentative dates/times held for these discussions/interviews?

Answer: We would do interview discussions by Zoom. The third or fourth week of September.

3. Before any input from the search firm, has the Board determined a general compensation range for the President position?

Answer: They have not discussed compensation at this time.
