The Bachelor of Science in Recreation and Tourism Management

degree prepares students for professional careers

in the dynamic and expanding field of tourism. The curriculum focuses on program planning, public relations, marketing, budgeting, and management of Recreation and Tourism services.

MILESTONE COURSES

Courses marked as Milestone Courses are crucial for staying on

track to complete your degree in four years. Take them in the recommended semester to stay on track! If you see a recommended minimum grade, this is the grade you need to earn to have the best chance for success in this degree! Grades marked with an asterisk are required to pass.

Helpful Hints

- Use this plan in consultation with your Academic Advisor.
