The **Bachelor of Science in Sociology** degree prepares students for a variety of careers as well as providing the educational foundation necessary to pursue graduate or professional training in the field of sociology or related disciplines.

MILESTONE COURSES

Courses marked as Milestone Courses are crucial for staying on track to complete your degree in four years. Take them in the recommended semester to stay on track! If you see a recommended minimum grade, this is the grade you need to earn to have the best chance for success in this degree! Grades marked with an asterisk are required to pass.

ADVISING

When you choose to pursue this degree, you will be assigned an advisor who is an expert in the field of Sociology. This advisor can help you with course selection, career planning, resume building, and help you with tracking your path to degree completion.

Helpful Hints

- Use this plan in consultation with your Academic Advisor.
- See the [Academic Catalog](#) for a list of acceptable SOC electives.
- A 'C' average is required in Sociology courses at the time of graduation. (Note: this does not mean that a 'C' or better is required in all Sociology courses.)
- Semester 2—You may take MATH 105 or PSY 212: Behavioral Statistics. If you choose to take PSY 212, you will need to take a Math course to satisfy General Education requirements.
