The **Bachelor of Science in Education, Music Education Prek-Adult** degree prepares teacher candidates to teach grades PreK-Adult students. Concord's Teacher Education Program is designed to provide teacher candidates with opportunities to gain the critical knowledge, skills, and dispositions needed to teach all children.

MILESTONE COURSES

Courses marked as Milestone Courses are crucial for staying on track to complete your degree in four years. Take them in the recommended semester to stay on track! If you see a minimum grade, this is the minimum grade required to pass the course.

LANDMARKS

Points where you see a landmark icon on the four-year plan indicate you have reached a point of action outside regular coursework! See the Helpful Hints for information on each landmark.

Course Choice List

All courses in this list will be taken prior to graduation. The order in which they are completed is flexible.

- General Education Course: Mathematics (3)
- General Education Course: Literature (3)
- General Education Course: Humanities (3)
- General Education Course: Social Science (3)
- General Education Course: Social Science (3)
- General Education Course: Social Science (3)
- General Education Course: Physical Wellness (3)

Note:

- Physical Wellness course must be 3-hours to meet minimum hours required for graduation (120 credit hours)
- Math must be taken no later than Semester 4

Helpful Hints

- Courses below are fall only offerings:
MUS106/106A MUS161 MUS302
MUS206/206A MUS304 MUS410
- Courses below are spring only offerings:
MUS107/101A MUS162 MUS303
MUS329/329A MUS306 EDUC418

ADVISING

When you choose to pursue this degree, you will be assigned two advisors: one who is an expert in the field of music and one who is an expert in the field of Education. These advisors can help you with course selection, career planning, and help you with tracking your path to degree completion.

CAREERS

Graduates of the Teacher Education Program are eligible for licensure in West Virginia, and in other states through reciprocal agreements.

COMPLIMENTARY MINORS

Students who pursue a degree in Music PK-Adult may consider a pursuing a minor in Special Education. Students who receive financial aid should consult with their academic advisor(s) or the financial aid office to ensure financial aid coverage of minor courses.

Helpful Hints

- Clinical Experiences I, II & III each require 45-hours of clinical experience in a music classroom. This is outside of course-time
- Semester 5—All education coursework from this semester forward requires TEP admission.
- Semester 6 Landmark—Students should begin taking Praxis II exams after midterm of this semester. The exams must be passed prior to Semester 8. By the end of semester 6, students must obtain all GPAs required for Residency admission, as well as meet Basic Skills Competency in Reading, Writing & Math. [Refer to admission requirements listed on the Department of Education webpage!](#)
- Semesters 7 & 8—Year-Long Residency. All education programs participate in the year-long residency model. This model enables teacher candidates to spend a year in the same classroom, with the same cooperating teacher. During Semester 7 students will be in a public school classroom 4 full days per week. During semester 8, students will be in a public school classroom 5 full days per week. Students should not enroll in additional coursework during residency.
- Choir may be substituted once for Instrumental major. Band may be substituted once for Voice major.
