Data Source: WV P-20 Statewide Longitudinal Data System

* Working in WV reflects graduates found **working at least one quarter and earning at least \$1 in WV between graduation and December 31, 2023**. Due to the request specifications, these data may not be comparable to data reported in the Almanac or other public dashboards.

** Students may have enrolled in another undergraduate program or in a graduate program

NOTE: At time of analysis, workforce WV data is only available through quarter 4 (December 31) of 2023. Post-secondary data is only available through Fall Census 2023.
