

STUDENT SUCCESS AGENCY

“Let me ask my agent.”

We get it, you’re busy. But you want what’s best for your student. GEAR UP SWV is proud to provide 24/7 mentoring and support outside of the classroom with Student Success Agency (SSA). The classes of 2028 and 2029 in Mercer, Summers and Wyoming Counties now have an account with Student Success Agency!

It’s kind of like this ...

Before SSA

After SSA

Students will be assigned a personalized agent with access to SSA+ *only after* uploading a signed permission slip. Find step-by-step instructions of downloading the app and uploading the form in this packet!

Scan above for more information about Student Success Agency.
